MOTT RAPID SHIP PROGRAM

February 22, 2016 – Brantford, Ontario Canada

Do your customers need a simple and fast way to plan and implement changes in their laboratory layout? We are extending the program to include our most popular products, effective March 1st, 2016. The MRS program can be used to build a new lab or to service an existing lab. Rapid ship products can be yours in 15 working days or less.

All items subject to availability at time of order. Go to our website for [availability](#) and [catalog pages](#).

Lab products available in Warm Gray & Bright White. Work surfaces available in Black.

From time to time we will also offer Overstocked Items in our MRS Program.

ABOUT MOTT MANUFACTURING: Mott is a manufacturer of steel and wood laboratory casework and fume hoods with factories in Brantford, Ontario, Maxwelton, WV and Bedford, VA. Markets served are university teaching & research, industrial, biotech, pharma, healthcare, government, and K-12.
